Driving prosperity in the M3 corridor

The Case for South East Transport

Geoff French

Chair Enterprise M3 LEP

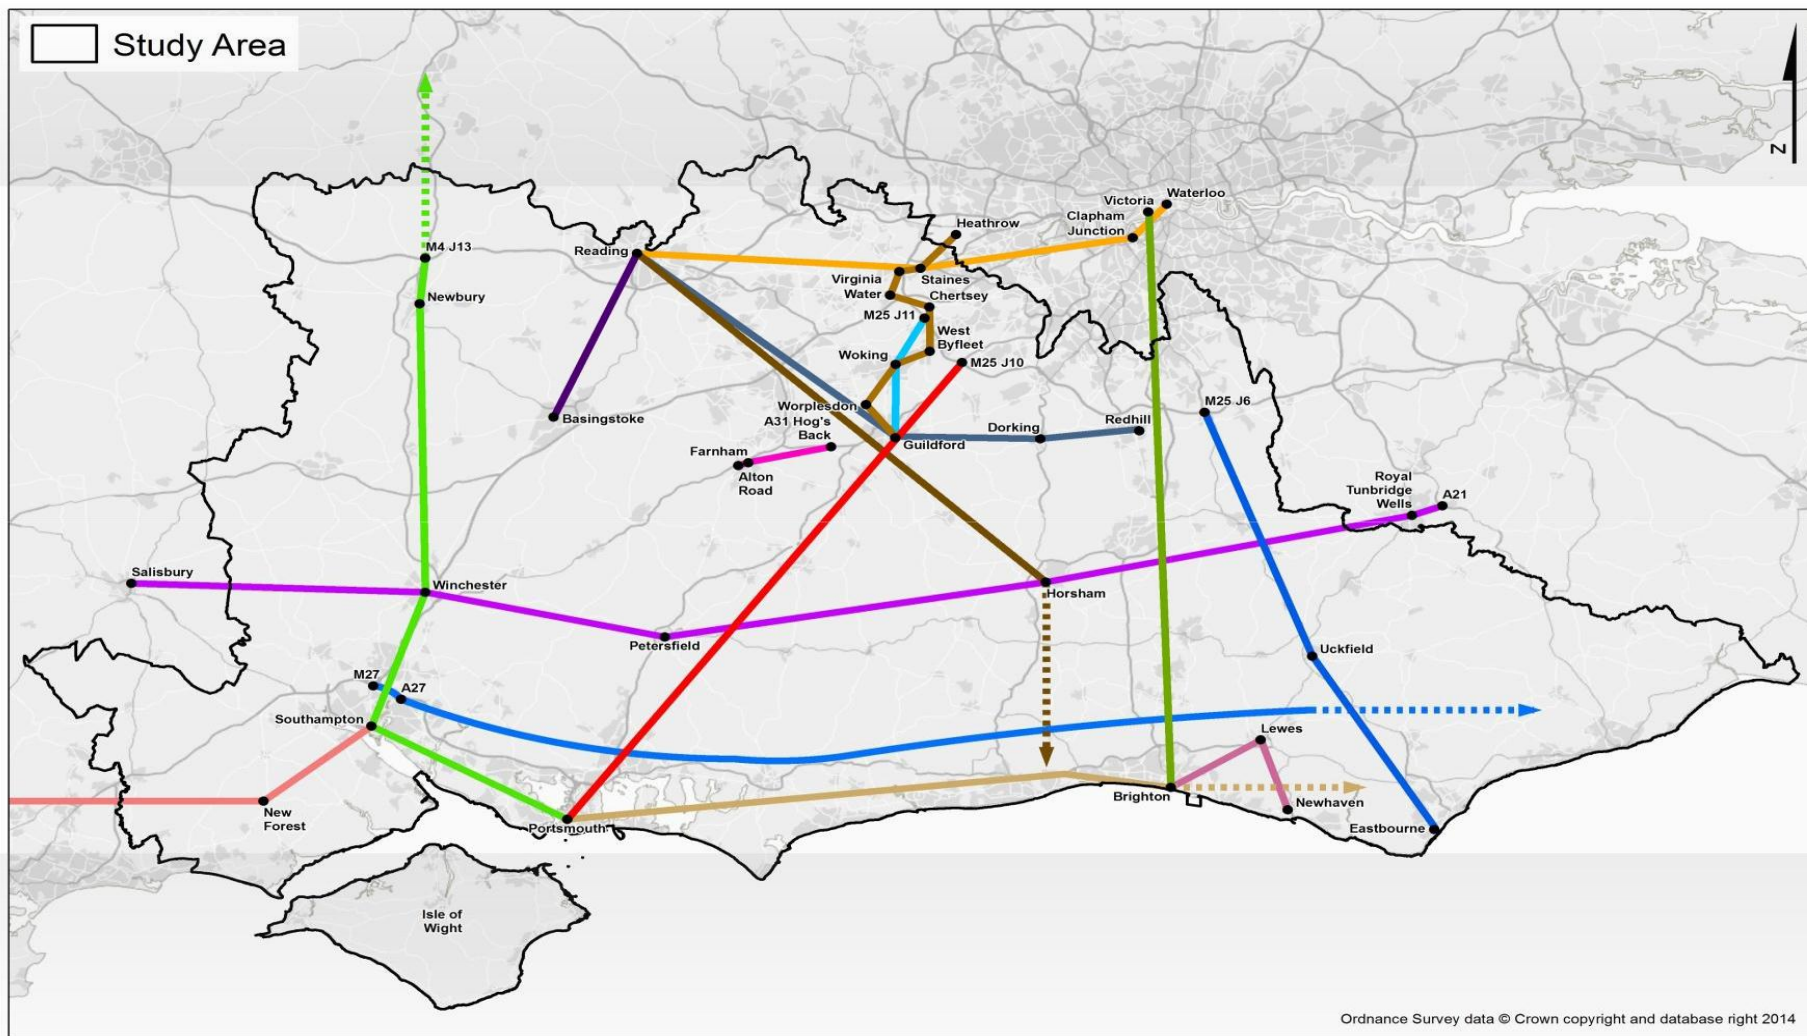

*South East England Councils
AGM June 30th 2016*

Influencing Strategic Transport in the South East

- Commissioned by Thames Valley Berkshire, Enterprise M3, Solent and Coast to Capital LEPs
- Significant support and involvement from Surrey County Council
- An assessment of the economic benefits of strategic transport corridors
- Study undertaken by WSP Parsons Brinckerhoff

Selected Corridors in the Study Area

Results

- huge economic benefits from both private and public transport schemes
- some corridor improvements will be very hard to implement
- results shared with the DfT
- seeking to influence future work by Highways England, Network Rail and others
- lobbying for funding for priority schemes
