

Building Homes and Funding Associated Infrastructure

South East England Councils/LGA Housing Workshop
27 January 2017, 11.00am – 4:00pm Church House Westminster,
Deans Yard, Westminster, London SW1P 3NZ

Workshop information

The South East faces significant challenges and opportunities to improve affordable and market housing delivery and associated infrastructure. We will have experts from councils, central government and independent advisors. It will include panel and discussion sessions where delegates will debate key topics and share experiences. **Housing Minister Gavin Barwell MP has been invited to speak.**

This workshop will include sessions on:

- Tackling unimplemented planning permissions
- Funding and financial viability for market and affordable homes and infrastructure
- Options and models for delivery e.g. local housing companies

This event is open to Council Leaders and senior officers. Places are limited, so please RSVP to admin@secouncils.gov.uk by December 23 to reserve your place.
