## **Cllr Graham Gibbens, Kent CC & SECASC**

- Health inequalities and prevention
- Social health care reforms
- Further development of integrated social care and health services
- Preventative interventions, enablement and telehealth/telecare

## Julia Pride, SEEFA

- What do service users really need?
- What is really effective engagement?
- What is the South East England Forum on Ageing (SEEFA)?
- What is the South East England Policy Panel on Later Life and Ageing?

## Dr Ben Gidley, Centre on Migration

- New geographies of diversity – local and regional patterns: new & old
- The migration-ageing relationship: mismatch between age profiles of “natives” and “migrants”
- Dependency of UK care industry on migrant labour – and what this means for (perceptions of) quality of care
- An ageing migrant population
